Celebrated 50 years
of marriage on March 19th.

Mr. and Mrs. Leslie Milton, Sr. celebrated 50 years of marriage on March 19th. They are both natives of New Orleans and were married there in 1958 at St. Peter Claver Catholic Church. In 1961 they migrated to Los Angeles with their three children and shortly after the move a fourth child was born. Leslie became a successful musician drumming with some of the finest entertainers in the business at that time including recording artists such as: The Rivingtonsz, Sonny and Cher, Bill Cosby and The Watts 103rd Street Rhythm Band; and recorded with many more major artists during their 16 years there. Janice was and still is a professional seamstress. Arriving in Seattle in 1977 they settled in Capitol Hill and remain there today. For the last 17 years Leslie has been the security supervisor for the Northwest Kidney Centers and has actively participated in the development of their security program and First Hill's Neighborhood Business Crime Watch. He is still active in the music business, performing every Saturday night in Everett at Alligator Soul and is credited with being a member of the top eighties recording band, The Slamhound Hunters. Janice, who's been more than a rock, providing a most stable and happy home, is the architect of his stage costumes and a daycare provider. Not only has she raised their four children, Sheila Richardson, Leslie Milton, Jr., Terry Milton and Lori Milton, but has also provided daycare for all their 12 grandchildren and has continued that tradition with their first great-grandchild whom they happily welcomed to the world last June.

Paine's Lane By Adriel

PaineS ay it loud I'm Black and I'm proud my sharing, caring readers. It's always been a time when we as African Americans should be proud and Black but know it's a very special time because Obama is showing all Americans that we can handle our business to when it comes to politics. He's brave, courageous, articulate, smart, real and wise for his young age. Let's all get behind him and support him with money, volunteer and unity, unity, unity, my African Americans and all Americans to make a positive change for the best. My articles from now on will be mentioning Obama a lot to make sure we don't forget about our brave brother going us for the highest post in America; don't forget him please. Well, it's Spring and you now what that means new love, new relationships, rekindling old love. Start this spring by hugging and kissing your love one more, even is you don't want to, you will feel better and they will to. Stop and look a the cherry blossoms along Seward Park Drive, go to the Arboretum and walk through and look at The trees and insect life, take a trip to the ocean, to Mount Rainier, get to yourselves and just cuddle, do your gardening together and most of all just enjoy each other. i Remember that. All of these things will make you feel fresh and new like the new buds on the trees and the new birds and the bees.So stay in the right lane with Paine and become fresh and new and more in love with your loveD one so we can be ready for battle in November for Obama.

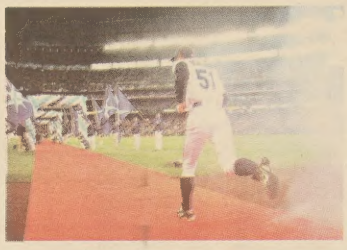
Grand Opening: If Spring time gives hope then an opening day win in Major League Baseball keeps hope alive. The Seattle Mariners started their 2008 season with a 5-2 victory over the Texas Rangers in front of a sold-out crowd of 46,334 at Safeco Field. Second Baseman Jose Lopez was the catalyst . Lopez had a grand day. The second base man had two hits and two



Runs, and batted in four at bats. "That was a big hit down the left-field line," Seattle Manager John McLaren said of Lopez's seventh inning two-run double. "I feel good about Jose. He's having fun. He came into camp with good enthusiasm, he's a wonderful person and he's maturing. I think last season was a step in the right direction. I like what I've seen out of Jose Lopez." McLaren was happy of his whole team. "It wasn't the prettiest thing in the world, but it was very, very effective," McLaren said. Texas Pitcher Kevin Milword had the Seattle hitters in check for the first five innings and looked to be on his way to the victory. Seattle had just two runs in the first five innings before Lopez put on his Superman cap and performed his heroics. "Our philosophy is to get a lead and add on to it," McLaren said. "And we want to add on to it by doing whatever it takes: stealing, bunting, and running." After being down two- zero most of the game the Mariners looked to be a very improved and patient team at the plate. Seattle also received an impressive effort from newly acquired Pitcher Erick Berdard. In his Mariners debut, left-hander Erik Bedard allowed one run on three hits with five strikeouts and four walks in five innings. He threw 106 pitches, 59 for strikes.Seattle reliefer J.J Putz picked up where he left off last season and earned the save for the Mariners. On day that say temperatures dipped to freezing temperatures, faithful Mariner fans did not mind the cold. Their hearts were warmed by their teams come back win.

2008 FESTIVAL SUNDIATA

DIRECTOR APPOINTED TO A NEW POSITION!

SEATTLE, WA. After 5 years of success as the Executive Director for Festival Sundiata, Twanda Hill has been appointed to the newly created position of Fund Development Director. In her new position, Twanda will expand on community and corporate relationships to increase the revenue stream for Festival Sundiata.

Sundiata African American Cultural Association for over 28 years has provided activities and opportunities which depict the color perspectives of the culture and history of people of African descent. Festival Sundiata is committed to continue to build and share our rich heritage and culture with the citizens of the Pacific Northwest by bringing forth the best of the best. We strive to be a festival of inclusiveness by being an open door for new and emerging ideas and opportunities. The Festival is held every President's Day Weekend at the Seattle Center.

"Festival Sundiata is such an amazing festival, I am quite excited about focusing primarily on fundraising and providing a base of income for the festival", says Twanda Hill. The first challenge will be to the community in a campaign called "Unity in the Community", which will seek 1000 donors to donate $100 to the organization. The campaign will kick off at Saltwater State Park on June 28 at an event with a newly created partnership with Washington State Parks called "The Family ReUnion". Save the date, more details to come.

Applications for the new Festival Director are being accepted. Contact Twanda@Twandahill.com for a complete application.
